Aksarben no longer sponsors the Good Neighbor Program. The Boone County Ag Society feels it is a valuable tool to recognize those individuals who have gone above and beyond the usual neighborly thing to do. In recognition of those individuals the Ag Society will be sponsoring a Boone County Good Neighbor Award. This is open to all Boone County residents. The only stipulation for making a nomination is that the person should not be related to the person making the nomination. Those who qualify as a Good Neighbor will be recognized at the Boone County Fair, July 9-13, 2022. Completed forms are due no later than June 20, 2022.
